

Please Help Keep the Blues Alive!

You can join or renew your membership in LCBS by filling out the renewal form below, include your payment for membership dues and mail it to the address below. We need you as a member as it is critical for an organization like ours to sustain membership as well as to seek out new members. Your membership aids our efforts to “Keep the Blues Alive” and to support live music in the Linn County area.

Your membership especially important in helping LCBS to be a major sponsor of the successor to Bluesmore, the largest annual blues music show in Linn County held each August.

Show your interest in the Blues and supporting live music by joining or renewing today!

When you join, you will be able to enjoy your monthly copy of the Bluespaper mailed or emailed directly to your home. Additionally, you will have member voting rights in the Blues Society and the opportunity to come to meetings and be as involved in the business of the blues as you like. And be sure to refer to the live music calendar in the Bluespaper or the website to see the great blues shows in our area each month. Put your completed LCBS renewal form and check in the mail while you’re thinking about it and you will have already done your part to keep the Linn County Blues Society going strong and to Keep the Blues Alive!
